

I'm Pat the pumpkin and I LOVE maths. I just can't figure out which of these sums and questions have the same answer. Each one on the left has the same answer as one on the right.

Can you match them up for me?

$38 \div 2$

$128 \div 4$

$15 + 16$

$92 - 89$

$27 \div 9$

$21 - 7$

8×4

6×3

$57 - 39$

1×31
